About QUEST

The Med-QUEST Division provides health care benefits to Hawai'i residents who are eligible for Medicaid through QUEST.

With QUEST, all eligible members of your family can choose a health plan that fits their health care needs.

All QUEST health plans offer Medicare plans and many provide extra benefits at no cost. You can choose traditional Medicare or a different Medicare Advantage plan. Using the same health plan for Medicare and Medicaid may help you coordinate services, get more benefits, and lower your drug costs. Visit [medicare.gov](https://www.medicare.gov) to learn about your options.

Choose Your QUEST Health Plan

Step 1: Learn About Your Choices

Choosing a health plan is important. You'll receive all your health care services from a single health plan. Your health plan can help you find doctors, hospitals and pharmacies.

When choosing a health plan, it's important to see if you can:

- Keep seeing the doctors you prefer.
- Go to the hospital, health care facility, or pharmacy you prefer.

Health Care Provider Network

If there's a specific provider you want to see, call the health plan or visit their website to see if your provider is in their network.

| Health Plans | Phone/Website |
|------------------------------------|--|
| AlohaCare | 1-877-973-0712 alohacare.org |
| HMSA | 1-800-440-0640 hmsa.com/QUEST |
| Kaiser Permanente | 1-800-651-2237 kpquest.org |
| 'Ohana Health Plan | 1-888-846-4262 ohanahealthplan.com |
| UnitedHealthcare Community Plan | 1-888-980-8728 uhcommunityplan.com/hi |

If your current provider doesn't accept QUEST (Medicaid) health insurance, call your health plan to help you find another doctor or provider.

Step 2: Choose a Health Plan

When you apply for Medicaid, we encourage you to also let us know which health plan you prefer. If we don't know your preference, Med-QUEST will assign you to a health plan right away. You can stay with the health plan that Med-QUEST assigns to you or you may choose a different one.

If you stay with the health plan Med-QUEST has assigned to you, you don't have to do anything.

If you want to choose a different health plan, please tell Med-QUEST which health plan you have chosen within 90 days of the date of your enrollment choice notice. Your new health plan will start on the first day of the following month.

Once the 90-day period ends, you can only change your health plan during open enrollment from October 1 to 31.

Your five choices for a QUEST health plan are:

- AlohaCare
- HMSA
- Kaiser Permanente (O'ahu and Maui only)
- 'Ohana Health Plan
- UnitedHealthcare Community Plan

Step 3: Submit Your Choice

You can submit your health plan choice in three different ways:

1 Call Med-QUEST Customer Service

1-800-316-8005

The Hawai'i Relay Service 711 is available to hearing impaired, deaf, and speech impaired.

2 Complete the Choice Form and fax it to:

1-800-576-5504

3 Complete the Choice Form and mail it to:

State of Hawai'i
Department of Human Services
Med-QUEST Customer Service
P.O. Box 700190
Kapolei, Hawai'i 96709

Make sure to submit the Choice Form enclosed in your enrollment packet by the deadline. Your health plan will start the first day of the next month. For example, if you change plans anytime in May, you'll be enrolled in your new plan on June 1.

Health Plan for Your Newborn

If you're pregnant and enrolled in a QUEST health plan on the date you deliver your child, your newborn will automatically be enrolled in your health plan for a minimum of 30 days from the date of birth.

If you are not enrolled in a QUEST health plan on the date you deliver your child, visit **www.medquest.hawaii.gov** and apply for health coverage for your newborn. Med-QUEST will enroll your newborn in the health plan offered by the same insurer as your commercial health plan, with coverage starting from your child's date of birth. You have the option to change your newborn's health plan after the first 30 days from your child's date of birth.

Postpartum Care

Medicaid is dedicated to strengthening maternal health. Women receive 12 months of continuous postpartum coverage from the date their pregnancy ends. Regular postpartum visits help women recover both physically and mentally.

Reapplying for Medicaid

If your Medicaid eligibility ends for any reason, your QUEST health plan enrollment will also end. You may reapply at any time. If you become eligible within 6 months from when you last had Medicaid benefits, Med-QUEST will assign you to your former health plan.

Get Started with Your New Plan

After you choose a QUEST health plan, your plan will mail a welcome packet to you that includes:

- Membership cards for each family member covered
- Instructions on how to choose a primary care provider (PCP)

Receiving care before you receive your health plan membership card

You'll receive a notice in the mail that tells you about the health plan you're enrolled in. If you need health care services before you receive your health plan membership card, simply show your notice to your doctor or other service provider.

Once you receive your membership card, you can use your card to receive services. Also, be sure to carry your Medicaid ID card, which Med-QUEST will mail to you once you are eligible.

Choose a Primary Care Provider (PCP)

Your health plan will mail a welcome packet to you with forms asking you to choose a PCP. Your PCP will see you for regular checkups or when you're sick. When you need a specialist or other medical services, your PCP will arrange it for you. If you need help finding a PCP or specialist, ask your health plan for help. If you have a Medicare Advantage Plan and already have a PCP, let your health plan know the name of your Medicare PCP.

If you received services before you received the Med-QUEST enrollment notification, tell your PCP or other service provider. Your health plan may cover some of these services.
