Disclaimer

Kaiser Permanente uses the same quality, member experience, or cost-related measures to select practitioners in Marketplace Silver-tier plans as it does for all other Kaiser Foundation Health Plan (KFHP) products and lines of business. Members enrolled in KFHP Marketplace plans have access to all professional, institutional, and ancillary health care providers who participate in KFHP plans' contracted provider network, in accordance with the terms of the members' KFHP plan of coverage. All Kaiser Permanente Medical Group physicians and network physicians are subject to the same quality review processes and certifications.

A narrow network is defined as a tailored, tiered, or high-performance network that has 80 percent or less overlap with a health plan's broadest network offered to a member in any type of plan offered by that health plan. Kaiser Permanente does not have a narrow network with respect to its Marketplace plans. Members enrolled in Kaiser Foundation Health Plan (KFHP) Marketplace plans have access to the same provider networks as members enrolled in all other KFHP plans.

For our Federal employees

It is important to know that when you enroll in this plan, services are provided through the Plan's delivery system, as described in the Plan's Federal brochure, but the continued participation of any one doctor, hospital, or other provider cannot be guaranteed.

Accommodations for Individuals with Disabilities

Kaiser Permanente is committed to providing accessible facilities, services, and programs for all members, visitors and individuals with disabilities. In compliance with federal and state laws that prohibit discrimination based on disability, Kaiser Permanente provides:

accessible exam rooms and medical equipment;

free auxiliary aids and services to ensure effective communication with individuals with hearing, vision, cognitive, and/or communication-related disabilities, including qualified sign language interpreter services and informational materials in alternative formats (large print, audio tape/CDs, accessible PDFs or Microsoft Word documents, electronic texts/disks/CD-ROMS, and Braille); and

access to service animals, except where the animal poses a significant health or safety risk(s) to others.

For more information about access to a specific facility or provider, or if you believe that Kaiser Permanente has failed to provide appropriate access or services or otherwise discriminated on the basis of a disability, please contact Member Services toll-free **1-800-966-5955** or TTY **711**, Monday through Friday, 8 a.m. – 5 p.m. or Saturday, 8 a.m. – noon. You may also contact or file a grievance with the Kaiser Permanente Civil Rights Coordinator in person, by mail, fax or email at:

711 Kapiolani Blvd, Honolulu, Hawaii 96813,

civil-rights-coordinator@kp.org,

toll-free **1-800-966-5955**, TTY **711**.

Welcome to Kaiser Permanente

Your Doctor & Medical Care

Step 1. Choose your doctor

Good health care begins with you building a relationship with your personal physician. Your doctor is your health care advocate, your direct link to all Kaiser Permanente facilities, and your source for referrals to specialists.

Select your personal physician from any of our available providers. You can change your personal physician at any time and for any reason.

To choose a provider:

Select a medical location where you plan to receive services. Most members select a medical facility that is convenient to home or work.

Choose a doctor from one of three primary care options:

Family Medicine cares for members of all ages and specializes in caring for entire families.

Internal Medicine specializes in medical and preventive care for adults.

Pediatrics focuses on the specialized needs of children from birth to age 21.

To choose and change your doctor, simply call your facility or go online at kp.org/chooseyourdoctor.

Step 2. Making appointments

Two easy ways to schedule your appointments:

Visit kp.org/appointments on your computer or use the Kaiser Permanente mobile app and tap Appointments on the app dashboard. You can schedule office or phone visits with your primary care physician and same-day adult care visits, and some specialty appointments.

Call your doctor's office.

Preparing for your appointment

Check in with your Kaiser Permanente member ID card and a valid photo ID.

If you have additional health insurance in addition to Kaiser Permanente, please bring the insurance card with you.

Bring the names of any medications you are taking, including non-prescription medicines, so we can make sure that your prescriptions are uninterrupted and your doctor has all the information needed to care for you.

Tell the doctor about any treatments you are currently receiving, and feel free to ask questions.

To cancel an appointment, visit kp.org/appointments or call your

Kaiser Permanente medical facility. If you're bringing in a child that is not your own, please get an authorization form from Member Services or have a notarized Health Care Power of Attorney form.

Step 3. Paying for services

When it's time for your appointment, be prepared to pay for your services. Your portion may include a copayment, coinsurance, or deductible.

Charges for office visits, labs, X-rays, other tests, procedures, or prescription medication copayments are due on the same-day that you receive services.

You will be informed in advance if any deposits or prepayments are required prior to certain high-cost services or items related to scheduled procedures.

Pay with cash, personal check, or debit or credit card (Visa®, MasterCard®, Discover®, and American Express®).

You may be billed supplemental charges for services performed after you've paid and left the clinic. For example, your doctor may need to send tissue samples or specimens for further testing.

You can track costs for services you've received at **kp.org/outofpocket**.¹

Get a personalized cost estimate at **kp.org/costestimates**. Before you come in for care, use this tool to find out what you can expect to pay out-of-pocket for common exams, tests, and services.²

Questions?

Call our Patient Financial Services Department at **808-432-5340** (Oahu) or toll free **1-800-598-5928** (neighbor islands).

Pay your medical bills at **kp.org/paymedicalbills**.³

² You must be registered on kp.org to use this secure tool. The Estimates tool provides a general idea of what you may pay for a treatment or service, based on your plan benefits. What you actually pay may be higher or lower depending on the care you receive. Your bill will show the actual cost of the service and what you will need to pay.
