Introduction

Through the QUEST Integration program, Kaiser Permanente offers a range of Long Term Services and Supports (LTSS) for low-income seniors and people with disabilities.

This directory provides a list of our LTSS providers. This includes in-home and community-based services for members who need help in maintaining their independence, and nursing facility care for members who require a higher level of support. Members who do not meet nursing facility level of care but are at risk of getting worse may also qualify for some LTSS services.

You can receive LTSS services from these providers if you qualify. To qualify, you'll need a health and functional assessment completed by one of our service coordinators. The service coordinator will work with you to identify the services needed and the provider who will provide the service. A Service Plan will be developed based on your medical and social needs. The Service Plan will describe the type of service(s) needed as well as the frequency, intensity, and quantity.

Kaiser Permanente works together with participating providers to ensure all cultural competence obligations are met. We are dedicated to ensuring that services are provided in a culturally competent manner to all members, including those with limited English proficiency and reading skills; as well as those with diverse cultural and ethnic backgrounds.

Accommodations for Individuals with Disabilities

Kaiser Permanente is committed to providing accessible facilities, services, and programs for all members, visitors and individuals with disabilities. In compliance with federal and state laws that prohibit discrimination based on disability, Kaiser Permanente provides:

1. accessible exam rooms and medical equipment;
2. free auxiliary aids and services to ensure effective communication with individuals with hearing, vision, cognitive, and/or communication-related disabilities, including qualified sign language interpreter services and informational materials in alternative formats (large print, audio tape/CDs, accessible PDFs or Microsoft Word documents, electronic texts/disks/CD-ROMS, and Braille); and
3. access to service animals, except where the animal poses a significant health or safety risk(s) to others.

For more information about access to a specific facility or provider, or if you believe that Kaiser Permanente has failed to provide appropriate access or services or otherwise discriminated on the basis of a disability, please contact Member Services toll-free 1-800-966-5955 or TTY 711, Monday through Friday, 8 a.m. - 5 p.m. or Saturday, 8 a.m. - noon. You may also contact or file a grievance with the Kaiser Permanente Civil Rights Coordinator in person, by mail, fax or email at: 711 Kapiolani Blvd, Honolulu, Hawaii 96813, civil-rights-coordinator@kp.org, toll-free 1-800-966-5955, TTY 711.

The availability and use of the Kaiser Permanente grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U.S. Department of Health and Human Services, Office for Civil Rights or the Hawaii Civil Rights Commission.

A **prior authorization** is different than a referral. It means that **Kaiser Permanente** must give you approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, we may not cover the service, item, or drug.
 - More information on referrals and prior authorization is available in *QUEST Integration Member Handbook*.

B2. How to access our network providers

You may need a referral for a provider.

You must get most of your covered services from providers within our network. If you need care from a provider who is outside of the Kaiser Permanente's network, we will refer you to a qualified out-of-network provider and authorize your care. If you use providers who are not in our plan's network (**without prior authorization**), **you may have to pay the bill**.

A **prior authorization** is a decision by a Health Plan that a healthcare service, treatment plan, prescription drug, or DME is medically necessary. Sometimes called prior authorization, prior approval, or precertification. A Health Plan may require preauthorization for certain services prior to Members receiving them, except in an emergency. Preauthorization does not guarantee the Health Plan will cover the cost. If you ever disagree with authorization decisions, you can file an appeal as described in [Chapter 9].(Or whatever the Appeals chapter is).
